Comprehensive HR Resources and Consulting Services

UltimateHR from Complete HR Solutions

Complete HR Solutions, a division of Complete Payroll Solutions, provides personalized HR solutions supported by certified HR professionals. That's what you get when you work with us. Whether you need proactive HR guidance for compliance, a customized handbook, or an HR Business Partner by your side, our experts will be right there to assist you. Our HR consulting, combined with our HR technology, creates the perfect alignment for helping you protect and manage your employees.

About the UlitimateHR Package

Firstly, you get access to a comprehensive HR library and suite of online tools to help you manage compliance and your employees. You'll be supported by a dedicated HR Business Partner offering personalized consulting. Your dedicated partner will become familiar with your business and offer tailored services specific to your business's needs. This package includes training, consultation, and a customized handbook.
